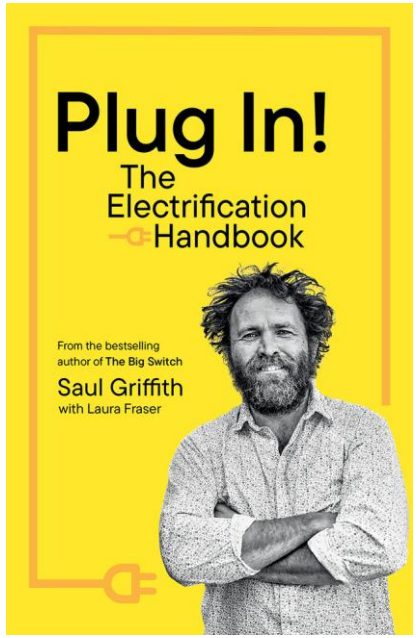
Rewiring Australia

THE FASTER AND FAIRER TOUR

with Dr Saul Griffith, Rewiring Australia



Join Saul Griffith in conversation with Meri Fatin to hear about Electric Communities across the country, insights from his latest book **'Plug In: The Electrification Handbook'** and hear about the local action happening in your community to electrify everything, fairer and faster.

- State Library of Western Australia
- Friday September 12
- 5.30 for a 6pm start until 8PM
